

Here is what you get in the members only section:

- Access to Accel 5 learning (similar to LinkedIn Learning)
- Discount code for job postings on OSSOM Jobs
- Book exchange (When we have in person events, we encourage the book exchange. But members can connect online to exchange books)
- Video library - When we have recorded our chapter events, we post those recordings on the member only page
- Member directory
- Area to post your job opportunities - members can post their jobs and look for jobs through our member only site
- Special offers for members - anything we get wind of happening where ATD RMC members get a discount, we post there

Also, if a member is a consultant, they would enter that information when signing up for membership and choose to have their information displayed on our consultant directory page.
